AUGUST 2023

FROM THE PRES-

Judging from the feedback that I have gotten, it was worth it. While, as of this writing, we do not have the totals done, it certainly seems that overall Camaro Superfest was a success. Number of participants was larger than last year. Reaction to the new venue was overwhelmingly positive and I am left with a feeling that we will do it all over again next year. That is why we have already made public the dates for Camaro Superfest 2024. If for some reason you did not see them, (and you knew this was coming) here you go. July 12-14, 2024, and again at the Multi Lakes Conservation Association venue.

The list of people to thank is long. First and foremost, Nita Bovan for her work as this year's chair. This was no easy task, and she performed it with grace and professionalism. Many hurdles were overcome. Time and again people threw problems at her, and she managed to give us a show we can look back at with pride. Then your board of directors, especially (in my mind, no jokes please) Jen and Don who put in hours on end to make registration and check in work. Again, the hurdles were there, but seemingly to our eyes it went smooth as silk. The rest of the board who assisted in making those tougher decisions

with all the new activities and venue issues that came up. Least I forget the club members that took the time to volunteer by doing those sometimes mondan jobs that every show needs done.

While looking back at our success we must learn from our mishaps as well. Next year will prove to be pivotal as far as our ability to improve upon the hard work that Nita and all our volunteers did. Hence the effort to start now rather than our usual mid-winter beginnings. So let the creative juices flow people. Let us know what you think, where we did great and where we can improve. You have an inside track to make this event better. By now all the participants received a survey to try to get a grip on exactly how they feel. You, however, can email or text or even call your board and let them know. Better yet, come to a meeting and talk in person. One of the best signs (and there were many) I saw at CSF was in one of the buildings at Multi Lakes said something like this "Got a complaint? Great, did you volunteer?" As long as this club decides to put on a show, we all need to put in the time it takes to make it work. All of us must do something because some of us cannot do it all.

Continued next page → →

Please remember that we have a slew of other activities going on throughout the year. A quick read though these pages will enlighten you to the many activities we plan. A group of us did attend Camaro Nationals in Morgantown, PA. We had a blast and in the ongoing tradition of revising plans on the fly, we detoured on the way and spent a solemn moment at the National Memorial to Flight 93. This is why we plan these trips. Not so much as to go places, but to experience what this great Nation has to offer with our friends. Our leader for the trip found some excellent back roads around Morgantown to relaxingly cruise with delightful treats enjoyed. Why, we even volunteered to help while at the Nationals. Maybe not my best idea, but you cannot complain about something you did not take part in. Firsthand experience tells us just how hard it is to do these shows to the quality we are used to. From there our two "spirited drivers" left for Camarofest in Bowling Green, Kentucky. Some track time awaited, but more importantly, long stretches of back road travel laid in front of them. I wish we could have followed. There is something about a long string of Camaros floating on pavement in your windshield (or rearview mirror) that is so mesmerizing you just cannot get enough of the sight. So let the wheels turn, get in and enjoy a ride. Let the membership know where to and see what happens. You never know.

Snook OUT.

THE CORNER CAMARO

This months' CORNER CAMARO is Sandy and Jim (AKA Chicago) and their 2015 RS. Here's their story-

I have loved fast cars as long as I can remember, perhaps it's because growing up I spent most of my summer weekends at a local dirt track with family friends who were sprint car drivers. While my very first car was not a Camaro, I settled on a pretty cool 72' AMC Javelin, but I knew that someday I would own a Camaro. In 1982 I went to buy my first Camaro, but got cold feet and chose a less expensive car for our first new vehicle. As the years went by so many times I said "I'm so sorry we didn't buy that car". Then in 2016 with all the kids grown and on their own, it was time. On a cold snowy Saturday morning in January while driving to work, I decided I'm getting a Camaro this afternoon (who buys a Camaro in the middle of the winter)! I called Jim and said be ready when I get home we're buying a Camaro today! So off we went in the snow, I knew where it was, I'd been watching it on the lot for awhile, I had decided on a 2015 because I loved the 5th gen body. Dreams do come true, sometimes you just have to be patient and wait for the right time. So 34 years later and 4 grown kids I finally owned my dream car. Then when I brought her home, she had to stay sleeping in the garage until the snow melted (3 months is a long... time to wait to drive your dream car!). It was and has been well worth the many years of waiting (I'm sure I appreciate it more now than I would have back then). The real icing on the cake though was yet to come, that same year in the fall I happened to be staying at a hotel in Hastings visiting my daughter, when I arrived there were Camaros parked everywhere. So I asked what it was all about and was quickly introduced to EMCC members and welcomed immediately feeling like I've known them for years, sometimes things happen at the right time and for the right

reason. I was up in the wee hours the next morning to watch the club head off on their tour, as I watched everyone leave, I knew this was exactly what I wanted in a club. Not only has my Camaro brought me so much joy to own and drive, it has also brought us something we never expected and that's all of you, Jim and I are proud to be part of this great club.

Thanks Sandy and Jim for sharing your Camaro story! Thanks for being an EMCC member!!

CAMARO SUPERFEST 2023 is done and in the books! It was a great weekend and Thanks to all that helped make it so good for all!! Here is the latest event news-

Dear Members

That's a wrap! Thank you to all that participated, those that sacrificed their time, talents and patience for this years CSF! We will share all numbers at this months meeting. As of this Friday, I still had people messaging for shirts! I'll take that as a success.

I'm very appreciative to the board and all those that assisted, spouses included. Multi Lakes is a beautiful location and we are excited to announce that we will return on July 12-14, 2023.

I have a few ladies medium, 2XL and Men's 2XL shirts that I will bring to our gathering on the 20th. If you have any questions, please reach out to me any time on my cell 810-938-9985 or email at

THE LAST WORD: A husband and wife were reading a magazine and newspaper when she burst out laughing. "Listen to this," she said. "There's a classified ad here where a guy is offering to swap his wife for a season ticket to the stadium." "Hmm," her husband replied, not looking up from his magazine. Teasing him, the wife asked, "Would you swap me for a season ticket?" "Never," he said. "That's sweet. Tell me why not." "The season's more than half over."
