OFFICIAL NEWSLETTER OF THE EASTERN MICHIGAN CAMARO CLUB

EASTERN MICHIGAN CAMARO CLUB is sponsored by

CHAMPION AUTOMOTIVE – Howell, Michigan

MAY 2023

FROM THE PRES-

Start your engines, cause if you haven't yet, you are going to be late! May really starts off our season of cruising and car shows. Don has a full schedule of things we will try to participate in, and you should keep in touch with him (or me) if you plan on going to any of the activities. And if there is something you have that is not on our list, please by all means, let us know so we can put it on the list. And that goes for those things that just come up last minute. A few of us can jump on board and go with you. Some of my best memories are ones made with last minute plans. Just last month, we had an offer to go out to Gingerman Raceway for a track day with a bunch of "Corvette" people and had a blast. Could not believe the weather was perfect and the track people were a blast to hang out with. Paid for a track coach to instruct us on technique specific to Gingerman. Even I, not driving, learned a lot from his expertise.

Anyone interested in going on the Tour to St. Somewhere later this month we have one opening. Leaving on Friday May 19th from Plymouth and returning on Monday May 22nd. This is a onetime spring fling taking the place of the annual Tour Missouri. Randy got a by this year because of travel

plans he had previously arranged. Staying at a Bed and Breakfast in West Union, Ohio and traveling each day to a different location in Kentucky. Might be a boat ride, horse ride and some bourbon tasting involved. Obviously, food and good company, as well as some pretty good roads to travel. Road times will be shorter this year with an emphasis on relaxing drives and peaceful dinning. Time is short to let me know, so please do ASAP.

Never too early to plan for later events this year either. We have multiple trips to Camaro Nationals, Camaro Fest, and The NEOCC Fall Classic, to mention just a few. All great destinations and people. Some are already booked up and hard to get places to stay, so giddy up. I might be able to help in that area, but you better hurry. Again, one of the best parts of this club is its people. And those people tend to have some pretty good times when we are together. We have had times that will remain in my memory for a lifetime. Belly laughs and "perm a grin" till it hurts. And as soon as we hear from Champion Chevrolet in Fowlerville, we have something to do on a Monday evening. That is going to be a blast to finally have a show with our sponsor. Sound like we will be busy this year, you bet. So, sign up often and soon.

Snook OUT.

We have no new members this past month! EMCC Membership currently stands at 80.

THANKS FOR BEING AN EMCC MEMBER!!

EMCC – BARN SHOW

It has become a tradition for EMCC members to attend the Barn Show, held at the Wilson Barn in Livonia. This BIG car show (approx. 600 vehicles!) is happening on Sunday, June 11. If you wish to attend with EMCC and park all together, we must pre-register very soon!! Nick is handling the pre-registration process, so please contact Nick ASAP - GrandpaDominic@yahoo.com

We'll be meeting at a local Wendy's the morning of the show and drive in together! That's the only way you can park with the club. They do not allow saving spots for late arrivals. Everyone brings something to share for eats/snacks and it's a great day!

THE CORNER CAMARO

This month's CORNER CAMARO is Joyce Schramm's 2011 RS! The story about our Camaro starts about 10 years ago when every time Joyce would see a SYNERGY GREEN Camaro she would say "Oh I love that color of Camaro". After enough times listening to her say that I determined that I would need to buy her one.

A little bit of back story. Forty five years ago she said that she wanted to buy a 70's Chevelle SS. At that time they were a dime a dozen in the Flint area and I never thought they would be as valuable as they are today and if we bought one, buying parts in the future would be a problem. So we bought a Corvette which we still have as a wedding present to ourselves. I figured we would always be able to buy parts to keep the Corvette going. She never let me forget that we did not buy the Chevelle over the years we have been together. (now over 52)

Back to the Camaro. Having not forgotten she wanted that car and now saying how much that she liked the SYNERGY GREEN Camaro I started a search for one that was not altered. Just a stock, as-built car. I found one only a mile from our store in Grand Blanc. I took her for a ride one day to the store to do some work and then drove the mile to look at the car. Even though it had aftermarket wheels everything was stock and unaltered. I am a stickler for this because I was a service rep for GM and cars that had aftermarket anything except wheels usually had "gremlins", especially electrical issues. We bought the car on the spot. We also got the original wheels with the deal.

I think I redeemed myself with this car. She loves this car. Remember, Happy Wife, happy life.

Thanks Joyce (and Larry), for sharing your Camaro story! Thanks for being an EMCC member!!

MiFBODY MEET & GREET

This annual event is on Saturday, June 10th and will again be held at Heidebreicht Chevrolet 64200 Van Dyke Washington, MI. Event times are 9am-3pm. EMCC had about 6-8 members attend last year and we're looking forward to returning this year. Registration is usually only about \$10-20 if you want to get judged. Donations to charity are welcomed. Last year, we had two meeting places, one on the west side and one in Warren for members on that side of town. If you are interested in attending this event, please contact BARRY - barry76Lt@wowway.com

EMCC DONATION!

Seven EMCC members attended the Eagles Helping Hands, the food bank that Nick volunteers at, fundraiser at the Fraternal Order of Eagles hall in Redford on April 29th. We dined on a taco/nacho bar and bought tickets for their 50/50 raffle & Chinese Raffles. During the event we presented our check for \$3000! At the end of the event it was announced that they had raised \$9000 that day so the EMCC donation accounted for a third of the funds raised. Congratulations and Thanks for your dedicated work in our community. See pictures later in this HUGGER!

CAMARO FUNNIES!

SOMETIMES I WONDER

**IF MY CAMARO IS THINKING
ABOUT ME, TOO...**

PUNS OF THE MONTH: 1) **LIBRARY CUSTOMER:** "Where will I find some books about greases and lubricants?" **LIBRARIAN:** "Try the non-friction section. 2) **LANDLORD:** "We need to talk about your incredibly high heating bills." **TENANT:** "Come by anytime; my door is always open."

THE LAST WORD: A man comes home and sees a note on the refrigerator from his wife: "This isn't working. I'm at my mother's." He opens the fridge, the light turns on, and he mutters to himself, "I don't get it. The fridge is working just fine."
