AUGUST 2024

FROM THE PRES-

It was the best of times, it was the worst of times. To quote some famous author (no I do not know, nor do I care) As nothing else can explain what we just went through. Camaro Superfest was a complete success. Have not heard a single complaint or issue as of today. No, we (and by we I mean me) do not know yet our final numbers (funds or cars). Most of our team is taking some much-needed time away from our duties as club officers and enjoying our summer, finally. Purposely did not have a July club meeting for that very reason as well. We will get numbers for the August meeting and discuss all things Superfest then. Remember I sent out an email with homework, be sure to complete it and send those CSF 2025 ideas to me as soon as you can. We need to start on next year sooner than later to avoid some of the issues we delt with this year. Most importantly a theme or feature Camaro, or whatever we want on our artwork. This needs to be decided now to give us time to have the graphics done. Several ideas came about this year that proved useful. Utilizing that small hall (Cesero Hall) behind the registration area for smaller vendors was well received. Not having the pavilion as promised turned out to be a blessing. Air

conditioning felt very good indeed. Drive to judging was received with at least some enthusiasm and using an outside club seemed to work well. All in all, we are to be proud of what we accomplished this year. I believe we will improve upon everything next year as we go to year three at Multi Lakes Conservation Assoc. Just like at Riverside Park, things get easier with repetition. Third times a charm they say. Let's make it happen. Save the Date July, 11,12,13 2025. Our 34th annual Camaro Superfest. Keep an ear to your email for the location of the August club meeting. And if it fancy's you, tune into our new web page at www.emcamaro.com . I try to keep it current with at least the time, date and location of the next month's meeting. Soon to have a media (photos) page complete with the latest pictures of what we do, enjoy our Camaros.

On to the worst of times. We lost one of own in July, shortly after Superfest. Mark Harpootlian passed at home on July 18th. He fought the evil cancer for ten years. He was a dear friend and club member since forever. Serving as Treasurer and helping many a Superfest be successful by supporting the website and all around helping out. Those of us who attended his funeral witnessed things we did not know about Mark and some things about us as well.

Continued next page → →

Mark loved his Camaro (that would be an understatement for sure) so much it was in attendance. Along with 18 other Camaro friends. The eulogy given by his dear friend and business partner was heartfelt and explained so many things we took for granted about Mark. First and foremost, he had a sense of humor hidden I did not know about. Limiting all "sermons" to ten minutes. No exceptions. His Son let us know that Mark wore many hats in life, all the usual, father, mentor, friend, husband. But seemingly he wore a whole bunch of Camaro hats. It hit home hard. All of us in this club lost something in Mark. He will be missed. But he will never be forgotten as he will live on in our memories for as long as this club and we are around. And I know I will never forget the gift of song given by our own John Danic, it was beautiful. Rest in Peace Mark.

THE CORNER CAMARO

This month's Corner Camaro goes to EMCC member Mark Harpootlian and his 1969 Camaro coupe. It's most unsettling that Mark's turn is right after his passing. The story of his Camaro is -

I found my '69 Camaro on the internet in the Summer of 2000. Sharon and I drove from our home in Southfield, MI to Albany, NY to bring it home on a trailer. The car could barely make it onto the trailer and I said to myself, "Oh no, what have I done!"

A previous owner had put in a 327 and drag raced it. My goal was to turn it into a driver, restored back to 1969, not necessarily original or factory-fresh, but something that would at least be authentic to the period.

The car felt like it was starting up in second gear all the time due to the Muncie's close ratio 2:20 first gear. I shopped around for a 3:11 Saginaw - much more conducive to cruising around town and creeping along Woodward Avenue in the annual Dream Cruise. I put in a new clutch, too. One that was used in the 307's and 6 cylinder Chevy's. It has nice easy feel. It shifts really nice now, very smooth and effortless.

The car still rode pretty harsh, so off came the traction bars, air shocks and heavy-duty rear leafs. I put on the standard 5-leaf springs which were 15% softer than what the drag racer had used. That was a lot of work, especially since someone had WELDED the front leaf spring brackets to the underbody!

Other improvements included a front spoiler, new grill, bumpers, various emblems, marker lights, outside mirrors, weather-stripping, wheels and tires.

The biggest improvement by far was when I had the car painted. I kept the original Frost Green color and the twin black rally stripes, which it had when I got the car but probably weren't original. They just look cool.

There are still more things that I want to do, but for now, I just

enjoy driving it. It gets out several times a week when the weather's good. I get a lot of looks, waves, and thumbs-ups and that makes it all worthwhile.

We also honor Sharon Harpootlian and her Camaro - 2016 Camaro Coupe. The Camaro has a V6 engine and 6 speed auto manual trans. The exterior color is Garnet Red and the interior color is Gray. A nice gray stripe was added to give the Camaro a great accent! Sharon does drive this Camaro all year long! NICE RIDE!!

IN MEMORY OF MARK

Mark Harpootlian
November 11, 1949 - July 18, 2024

Mark Harpootlian EMCC member 239 was the 6th person to be granted LIFE status as an EMCC member. I'm guessing he joined the club nearly 20 years ago. He was probably recruited at a local car show or perhaps was tagged with a club flyer in a parking lot.

Continued next page → →

Mark was a very mild-mannered man... never got angry that I remember and always had good reasoning and was able to help solve problems when they arose. That made him a great treasurer, when he took that job when we needed someone to step up. Russ Sarns was our first club treasurer and Mark filled in perfectly after Russ stepped down. And Mark did such a great job as treasurer, we kept him there until just 3 years ago! Mark also pioneered our website and more importantly our Camaro Superfest website, which allowed us to take registrations online! The system worked so well, the model railroad group I belong to borrowed the same format and Mark was so nice to help us get that started too! Mark also had mechanical skills, working on his own Camaro, like many of us, and got it running great again. His Camaro has always been one of our nicest in the club and it always was great looking when he drove it. We honor a very honorable man! We are saddened by the loss of Mark, we will miss seeing him, but we are very blessed to have known him and keep him in our memories. We are happy, that he is no longer in pain and we know he is living well with our Lord in heaven... or as a good friend says, that great Chevy showroom in the sky. Lastly, let us not forget Sharon, he loving wife of 53 years and every bit as involved in EMCC as he was. We look forward to seeing her continue in the club and helping us keep Mark's memory with us all. Blessings to you Sharon and to your family.

Barry Hensel

To complete Mark's legacy with EMCC, we are donating \$2000 to Detroit Rescue Mission Ministries in the name of Mark Harpootlian.

THANK-YOU!!

I would like to thank all my friends in EMCC from the very bottom of my heart for the love and support you gave me with Mark's passing. Whether you came to the funeral home, attended the service, sent a card, thought of me - I really, really appreciated it. He only drove his beloved Camaro once in 2024. But, the Slow Ride 2023 trip was definitely the highlight of 2023 for him. If you wonder what is going to happen to that Frost Green 1969 - my kids have convinced me to keep it. Both Kevin and Jamie really liked taking it for drives around town. My daughter, sister Sue Anne and I think we could probably use it to pick up guys - wink wink. I really miss him and it's easy for me to get teary, so be patient with me. I hope to be at each and every monthly meeting and go on every trip, in my own car or as somebody's co-pilot. It pained me to miss Superfest this year but it just wasn't feasible to go. Again, thanks for your love and support of me and my family.

Sharon Harpootlian

CAMARO SUPERFEST 2024

July 12-13-14, 2024

**Multi-Lakes Conservation Club
Commerce Township, Michigan, USA!**

Camaro Superfest 2024 is complete! It was a very great event and it seems that everything went very well! The Planning Team (EMCC BoD) did a great job of thinking the event through and making sure it ran well! Congratulations EMCC!!

And here's another point of view.... from the Multi-Lakes President's message in their newsletter....

****Cruisin' Classics and Camaro Cheers: A Weekend to Remember at Multi-Lakes!**** Last weekend, Multi-Lakes dazzled as host to the annual Eastern Michigan Camaro Club (EMCC) car show, and boy, what a weekend it was! The event kicked off on Friday evening with a thrilling classic car cruise, where EMCC members revved their engines and showed off their prized Camaros.

Continued next page → →

The atmosphere was electric, with enthusiasts swapping stories and admiring each other's wheels under the setting sun.

However the real excitement was yet to come on Saturday. Mother Nature blessed us with perfect weather—a clear blue sky and a gentle breeze—setting the stage for an unforgettable day. Over 700 stunning cars graced our grounds, each one a testament to the passion and craftsmanship of their owners. From sleek classics to roaring modern muscle, there was something for every car aficionado to marvel at. The show wasn't just about cars; it was a celebration of community and shared love for automotive excellence. Families strolled through rows of polished vehicles, photographers captured every angle, and friendships were forged over a mutual admiration for Camaros. It was more than an event; it was a gathering of kindred spirits.

As the sun began its descent, we transitioned seamlessly into an outdoor dinner for the EMCC members. Picture this: long tables adorned with checkered tablecloths, laughter filling the air, and the aroma of barbecue drifting from the grill. It was a feast fit for champions and a chance for everyone to unwind after a day of excitement. The camaraderie and sense of camaraderie were palpable – a testament to the bonds formed over a shared passion.

Sunday brought another beautiful day, and the festivities continued with equal enthusiasm. Visitors poured in, eager to soak up the last moments of automotive splendor. Awards were handed out, recognizing the best in show, most original, and crowd favorites. Each trophy represented not just a car, but the dedication and love poured into preserving automotive history and pushing the boundaries of innovation.

Reflecting on the weekend, it's clear that the EMCC car show at Multi-Lakes was nothing short of a triumph. The support from the community the dedication of the participants, and the tireless efforts of our staff all came together to create an event that will be talked about for years to

come. It wasn't just about the number of cars or the accolades—it was about the passion and camaraderie that infused every moment.

To all who attended, whether as participants, spectators, or volunteers, thank you for making this year's EMCC car show an unparalleled success. Your enthusiasm and love for Camaros fueled the energy that made this event shine brightly. As we look ahead, we eagerly anticipate next year's gathering, knowing that it will be another chance to celebrate what makes the automotive community so special.

So, until we meet again under the summer sun, keep those engines purring, cherish those memories made at Multi-Lakes, and continue to drive with passion and pride. The road ahead is as exciting as the journey we've just shared together.

Chris Myers, General Manager

CAMARO FUNNIES!

PUN(s) OF THE MONTH: 1) I did a theatrical performance about puns; really it was just a play on words. 2) When two egotists meet, it's an I for an I.

THE LAST WORD(s): 1) If a tree falls in the forest and no one's there to see it, a chihuahua 500 miles away will bark at it. 2) A group of spring-breakers were partying noisily in a hotel room. Finally, a hotel employee knocked on the door and said, "I have to ask you to make less noise. The gentleman in the next room says he can't read." "He should be ashamed of himself," one drunk student replied. "I could read when I was 5!"
