

THE "HUGGER"

OFFICIAL NEWSLETTER OF THE EASTERN MICHIGAN CAMARO CLUB

EASTERN MICHIGAN CAMARO CLUB is sponsored by

CHAMPION AUTOMOTIVE – Howell, Michigan

NOVEMBER 2024

FROM THE PRES-

Well, it is November, and after all I did to avoid the cold, here it comes. Kathy's Camaros are all tucked away. We are currently driving to Florida for our annual family vacation, back roads of course. Trouble is a lot of them are closed due to the hurricane. I will find a way and that might turn out to be a good thing. Time will tell as always. Report on the results next month.

Shortly we will run out of good weather for all things Camaro. Hopefully not. Few things come to mind, MACAN, PRI, and a few that are just a tad bit further away. There is a contingent of us that are attending MACAN in November. If you ever wish to go, please let me know very early in the spring as this sells out (hotel rooms are booked in March) by April or so. Still looking at PRI in December but haven't found a place to stay yet. Stay tuned. There are a few fall things still to do if the weather cooperates. Don will advise as they become evident.

Camaro Superfest is so very close to finishing up planning that we can taste it. And it is looking very nice. Few things are still fuzzy, but the majority of the basic things are done. Friday's activity planned by yours truly, is looking very nice with a long scenic drive through the

western parts of SE Michigan. Try to figure where that is! Prize money still to be finalized and hopes are that it will far outweigh the participation fee. Some people might not think a drive is the way to go, but, it costs us nothing and any possible revenue will all go to our charity work. I will release the details as soon as I get all the sponsors in place.

Jen has been very busy working on our new website and is very close to having renewals for membership done, if not already so. Please go see what she has accomplished at www.emcamaro.com. She has done wonderful job of getting this complex task moved to where we can better enjoy all the benefits this site can offer. Not only did we lose a dear friend in Mark we lost our free website and hosting. Some big shoes to fill.

Finally, in reference to the above-mentioned undertaking we need to look at additional funding to support our website. The current structure of dues just will not cover even the basic web costs we now have. So, at the last meeting it was unanimous that we put this proposal to the membership for a vote.

Continued → →

"It is proposed that the Eastern Michigan Camaro Club increase its due structure from \$20 per year per family to \$20 per year per individual."

This makes it fair to all the people that have been paying for a membership but do not have a better half that also enjoys said membership. It might cause some to think about not including their "better half", but my hope is that will not be the case. We have become such a fun club I cannot see anyone leaving over this amount.

I will make a special email to all members for this proposal prior to the next meeting. Look for it in your inbox from me. Since I do not have everyone's email, please let your spouse or partner email their vote to that address as well. Responses will go to one of my seldom used emails and I will tabulate and advise at the next meeting.

Happy Thanksgiving to all.

EMCC SYMPATHIES

It is with great sadness that we are informing you of William (Bill) Koski's passing in early August. Our thoughts and prayers go out to his family. Seemingly, to us at least, it helps in the grieving process to know he enjoyed the club and its members. He will be missed.

EMCC CIDER MILL RUN

Some EMCC members attended the Cider Mill Run on Saturday, OCT 26. We went to SPICERS CIDER MILL in Fenton. We had 8 Camaros and 13 members. We purchased cider and donuts and hung out by the picnic tables. John found a food truck and bought a coney dog of course. Thanks for attending!

THE CORNER CAMARO

This month's Corner Camaro goes to EMCC member Roy Thayer member #351. We were going to hi-light Roy's 4th Gen Camaro, but we didn't know he just acquired a new 6th Gen! **Roy's Radiant Red Ride**

I'm still the proud owner of a 4th generation 2002 Camaro, but wanting a tad more, I've had quite the adventure with my latest Camaro. Ordering my stunning 2023 Radiant Red Camaro 2SS/1LE 6 speed manual back in September 2022, making sure to personalize it with among other things, red seat belts and red knee pads. That took an additional order update in October, and I couldn't wait to hit the road in style!

Spending the winter in Florida my dealer was very anxious to get me into my Camaro. It hit the dealer on March 14th and after several calls from my dealer, and returning home from Florida, I finally took delivery of my beauty on March 30, 2023. The anticipation was exhilarating, and let me tell you, it was worth the wait! This summer, I had the chance to take my Camaro on some unforgettable drives, including the famous Tail of the Dragon and the Devil's Triangle in Tennessee. There's nothing quite like the feeling of winding roads and the roar of that engine. While I absolutely love my new Camaro, I do have to admit that the seats are a bit of a letdown. It feels like I'm sitting on two layers of hard foam, definitely not the most comfortable experience for long drives. On the bright side, I've enjoyed great gas mileage on the expressway, which is a bonus for a performance car.

Being a club member for over 20 years has only deepened my appreciation for these incredible machines. I can't wait to see where my Camaro takes me next!

Thanks Roy, for sharing your Camaro story! Thanks for being an EMCC member!!

NEXT MONTH – member #397 Kathy & Paul Denski... and which Camaro will they choose to feature?

CAMARO SUPERFEST 2025

July 11-12-13, 2025

Multi-Lakes Conservation Club

Commerce Township, Michigan, USA!

ANNOUNCING.... our 2025 date for the 34th annual Camaro Superfest! We're all set for dates and location. We have some great ideas for a fun Friday activity. EMCC - AUTORAMA

Barry76Lt@wowway.com

WINTER STORAGE?!

Are you looking for a place to store your Camaro for the winter? I have a place for you! My son-in-law Justin Smith now has a "barn". He can fit 4 Camaros in the barn, next to his Camaro and his camper. The barn is new, unheated and no electricity. The location is in Brownstown, Telegraph and West Rd area. The cost is only \$75 per month! Contact BARRY if you're interested - barry76LT@wowway.com

EMCC BIRTHDAYS!

Happy Birthday to all of our NOVEMBER EMCC Birthdays! See the calendar for those names and dates! Hope all your birthdays are great! If we have missed your birthday, we're sorry! Please email your birthday to Roxanne!

EMCC WEARABLES

Many members have asked about EMCC shirts, hats, jackets. We don't have a supplier of these items. SO, we suggest you buy what you want/need at any store you wish. Then bring those items to the next EMCC meeting. We'll then send it all to our embroiderer to get them customized with the EMCC logo on it. We can probably get your name stitched on too. The EMCC logo is \$12-15 to be put on. Your name is \$3-5 to be stitched. Logo goes on left chest, names on right.

EMCC MEETING REPORT

For the October EMCC meeting, we met on the north-eastside of town. Unfortunately, I could not make it, as I was downriver sitting with my granddaughter. So your report is via what others have told me. There were 26 members attending. The food and service at NONI'S Grille was very good. Paul talked about CSF and those on-going plans and arrangements. Don continues to update events and activities available to membership to participate in, and the list is sizable. The majority of the evening's discussions pertained to dues and the need to cover increased costs involved with running the club. Unanimous support for an increase was given and the reason it was emailed to each member. It was thought that it shouldn't be decided by only those at the meeting. (see Paul's column on page one!) We hope to see you at the next EMCC meeting in November! This will be our last meeting for 2024, as it's been a tradition to not have a December meeting, due to the holidays and all of those related activities.

CAMARO FUNNIES!

PUN(s) OF THE MONTH: 1) What type of music scares balloons? Pop music. 2) What is a sea monster's favorite lunch? Fish and ships. 3) I'm wary of stairs. They are always up to something.

THE LAST WORD(s): 1) A truck overturned while transporting several hundred copies of a thesaurus. The newspaper reported that onlookers were "overwhelmed, stunned, amazed, gobsmacked, astonished, bewildered and dumbfounded."
