OFFICIAL NEWSLETTER OF THE EASTERN MICHIGAN CAMARO CLUB

**EASTERN MICHIGAN CAMARO CLUB is sponsored by**

**APRIL 2025**

## FROM THE PRES-

So, the winds (or eyes or whatever, and I'm sure someone will correct me) of March are gone (I hope), on to April showers to bring May flowers. Here's to all those Camaro flowers I hope to see real soon. Kathy's "fleet" needs only the traditional spring cleaning. You know, fresh wash, tire clean, engine bay detail, etc. Something I have waiting for what seems forever. The first really warm (70+) day will commence those activities. Until then, I wait and fill my time with her pickup, which is moving along very nicely. New seat, and some homemade door cards, as well as some added noise reduction. Something that those who drive our "older" Camaros know something about. I am driving it daily just to subvert the Camaro anxiety. Soon enough we will be driving something red everyday possible. But until then...

Camaro Superfest is probably, by the time you read this, 90 days away. Pretty much all set except for judging. We will succeed, just might take some time. A reminder that the test run for Friday's activity is on April 13th and I need more volunteers to drive the route and test the procedures involved in the timing and structure of the event. Give me a jingle if you are interested. It does involve at least three hours of driving and a possible lunch.

Everything else is in place, so let's discuss summer. There is a full sheet of paper with activities almost every weekend and most weeknights. If you haven't seen it, well, get with me or Don or Chris or anyone attending a meeting. Carve out what you can or might want to do and plan for some fun. I announced at the March meeting EMCC's fall trip will be "Return to the Slow Ride". Details are being worked out now and hopefully I can announce those shortly. Kathy and I want to plan a couple of "day" trips around Michigan and should be able to accommodate some friends to go with us. Usually, breakfast to start, a lunch stop and some back roads driving. Stay tuned for those.

The search for a new club sponsor is ongoing and time consuming. Printed documents have been delivered to 16 area Chevrolet dealers. Response is, how to put this, slow. As in none so far. Do not be concerned as we will prevail. Other options are being explored, and we will carry on regardless of the outcome of this.

This month's meeting is up on the website. Where you ask, Zukey Lake Tavern on beautiful (of course) Zukey Lake. Best part of this...the drive...what do you think of a Camarovan to there? We can leave late afternoon and arrive in time for dinner and then the meeting. Wouldn't it be Nice!!!

**Continued next page → →**

Homage to the Beach Boys there. Think about it, let me know if there is any interest and we can make it happen. Even if the weather doesn't cooperate for a Camarovan, we can just drive the "beaters" if we have too.

Oh, and check out the "big sale" announced by Stainless Works for Camaros only. Our friends at the NEOCC sent it to us to publish. Anything you need?

Remember, we are all in this together.

**Snook OUT!**

## CAMARO SUPERFEST 2025

July 11-12-13, 2025

Multi-Lakes Conservation Club  
Commerce Township, Michigan, USA!

**REGISTRATION IS OPEN!!**

Superfest is all but planned. The event for Friday is coming together nicely with the commitment from Ken Lingenfelter to have the Collection as our final stop of the tour. Working on other activities for the rest of those participants to do on Friday that just want to lounge around. Don't forget that the Multi Lakes car show Friday night features Camaro Superfest participants. Saturday evening meal is set. Judging classifications are done. With only the judges to be determined. Shirt sales will start when we go hot with registration. Know that we will have four color choices this year as well as the possibility of different swag. That still is in negotiations, and will keep all posted. Also know that these choices make for more difficult website construction and Jen has done a magnificent job of getting this done. We all owe her big time for what she has done.

If you have any ideas, please contact an EMCC Board member.  
**CSF 2025 is only 4 months away!!**

## THE CORNER CAMARO

This month's Corner Camaro is EMCC member 462 Kristi Hoff and her 1978 Camaro Sport coupe! Here's her and her Camaro story....

I have always been interested in cars, particularly older cars, and hot rods. Growing up in my grandfather's garage, I spent years pretending I was driving his 1928 Buick. It was routine for me to visit Greenfield Village or a car show with family. I have always known someone who had a "cool car". During a drive on a sunny spring day in May 2012; I made a spontaneous decision to make a "cool car" mine. Let me introduce you to my 1978 Sport Coupe/Camaro. She was born in Norwood Ohio; she was given the heart of a 250ci. straight 6, 105hp she was the 513,127th child. And MY FIRST car love. A few of the modifications that make her unique: 350 V8, Edelbrock intake manifold, 650 4 Barrel Carb, THM 350 Automatic Trans, Replaced with Medium Red interior, 14" Cragars with BF Goodrich T/A Radials on the Front, 15" Cragars and BF Goodrich T/A Radials for the rear. Every mile I drive, every new part added, every show I enter her in, is something I have worked towards. If I must change my route, I find a new path or a different road that will lead me to my destination. I'm so thankful for this car, what it has brought me, and introduced me too. Now that I'm a mother, I Love raising my son as a car family (including my EMCC car family) I have so many opportunities to teach him about growing, working to achieve goals, and having fun. Great Camaro Kristi and Ethan!! Thanks for being an EMCC member!!

**NEXT MONTH** - member #474 John Ronayne

## CSF RALLY TEST RUN!

We'll be meeting at the Hampton Inn by Hilton 169 Loop Rd., Commerce Township, Michigan at 10am. We will run this just like we will be doing on the Friday of CSF. Each vehicle will be set out minutes apart. We will drive the route and test the procedures involved in the timing and structure of the event. This will involve at least three hours of driving and a possible lunch. **Contact PAUL ASAP** if you are available and want to have some fun!

## CAMARO FUNNIES!

**THEY ARE BEAUTIFUL, VERY LOUD  
EXPENSIVE TO MAINTAIN AND HARD  
TO CONTROL ...  
THE OTHER ONE IS A CAMARO**

**DAD JOKES:** 1) Did you hear that the guy who invented VELCRO died? RIP. 2) Do you know what the first rule of the passive-aggressive club is? "Never mind. Forget it-it's fine..." 3) Guess who I ran into on the way to the optician's? Everyone.

**THE LAST WORD(s):** An Englishman, an Irish man, and a German decide to get drunk on Christmas Eve. On their way home they got in a car crash which resulted in every single one of them dying. All three appear in front of the pearly gates and St. Peter approaches them "since it's Christmas Eve, I'll give you all a chance to enter heaven, if you have anything on you right now that resembles or symbolizes Christmas then you can enter". The English man pulls out a lighter and lights it "it's a candle" St. Peter lets him through. The German puts his hand in his pocket and pulls out a bunch of keys and shakes it "it jingles" he says, and once again St. Peter lets him through. The Irish man thinks for a while then pulls out a black pair of bra and thongs, St. Peter takes one look and asks "And what's that supposed to be?" The Irish simply smiles and says, "They're Carols"

## EMCC MEETING REPORT

We had another very good EMCC membership meeting in March at Rose's in Canton. We had 30 members attending and a special guest - Lynn Yenke, daughter of Don Yenke, maker of Yenke Camaro Supercars! Paul started the meeting with a HUGE THANK-YOU to Jen, Chris and Sharon for their work on the EMCC and CSF website! He also reported on the search for a new sponsor. Interesting that possible candidates Gordan Chevy and Les Standford Chevy both have Camaro club sponsorship in their past! Try to keep the 3rd weekend in October open for a return to the EMCC Slow Ride trip. More details soon, but plans are being started. Lynn Yenke addressed the club, saying she hopes to be around more and get back into the local club/car scene. She also mentioned a possible Yenke Museum being established. Cool!

On CSF... we are all set except for judges and Don is working on that. But, if you have any other club contacts who you think might be interested, let DON or PAUL know. We'll also be doing a test run of the Friday Rally and we need volunteers to help with that on Sunday, April 13th. Nick talked about our plans for selling ice cream at CSF and everyone agreed the proposed cost was well worth the possible risk. It was also reported that we have 33 total registrations for CSF. Please register asap!

The annual Barn Show is the 2<sup>nd</sup> Sunday in June and Nick will be coordinating our annual club display area. You need to get a form, fill it out with payment and give it to Nick. Plus, all attending should bring a dish to pass, which makes the day extra special!

We hope to see you at the next EMCC meeting!

## EMCC EVENT NEWS

While there are many events listed on the calendar, there are always a few that are considered "club" events, where we hope more members will try to attend those select events. Look for separate articles on some of these events. For other events, please contact **DON**, our Activities Director. For those events you are interested in, Don will keep track of those and who are interested and send out emails only to people for those events.

## EMCC WEARABLES

Many members have asked about EMCC shirts, hats, jackets. We don't have a supplier of these items. SO, we suggest you buy what you want/need at any store you wish. Then bring those items to the next EMCC meeting. We'll then send it all to our embroiderer to get them customized with the EMCC logo on it. We can probably get your name stitched on too. The EMCC logo is \$12-15 to be put on. Your name is \$3-5 to be stitched. Logo goes on left chest, names on right.
