Your EMCC SPONSORS!

JUNE 2025

FROM THE PRES-

June has arrived and a big thanks go out to our new club sponsors Saline Chevrolet and Taylor Chevrolet. If you haven't heard that yet, now you know. Both dealerships are under the same ownership, and we are blessed to have them. This did not happen overnight, and I wish to thank all who helped make this happen. So now what happens? Well, we have the obligation to support our sponsors whenever possible. This means when we need that new Chevrolet we go there. When they need a hand with a car show, we assist. And when we give grants to our charities, we give our sponsors the opportunity to do so at their showrooms. All this seems normal except for the check presentations that we have become used to doing at the charity. And that doesn't have to stop. We can do both, might be something of an inconvenience for us at times, but I believe worthy of it. You will remember that all our check presentations happened at Lou LaRiche when they were our sponsor and kind of got lost when Champion took on the role. Never forget that without a premier sponsor we lose out on the opportunity to grant those funds. And that is a lot of money that they give, and we get to grant. I consider it our responsibility to honor their gift by doing so. So, let's team up and give them a big "Thank You" when we get to visit them with that first presentation.

We are just over a month away from Superfest and things are looking OK. I should remind you that we all should have registered by now. If you haven't, please do so ASAP. Oh yea, those pesky sign-up emails will be coming out shorty so save some time for us. Last minute stuff is being handled and looks to be a great time for all.

In the meantime, Don has a huge list of stuff for you to bring your Camaro to. From local to long distance, come join us as we enjoy all things summer. Camaro season is here!

Snook OUT!

Your next EMCC meeting will be on **MONDAY, JUNE 16** and will be at Chris & Sally West's house in South Lyon. Food to be served is subs, pasta salad, potato salad, fruit, chips, dessert and refreshments. Bring a chair!! **You MUST email, call or text by June 11th!!** Meet for dinner at 6pm EMCC meeting at 7pm-ish. We hope to see you there!

EMCC CHARITY FUND

The "Eastern Michigan Camaro Club Community Fund" is open to your donations. **DONATING IS VOLUNTARY!!** And it is tax deductible! We are setup through the Canton Community Foundation. Use their website to donate- www.cantonfoundation.org Make sure you select **The Eastern Michigan Camaro Club Community Fund** in the pull-down menu of where you want your donation to go. Here is another link.... <https://localimpactalliance.org/funds/canton/donor-advised-funds/the-lariche-family-eastern-michigan-caramo-club>

Many THANKS to our supporters for allowing us to give so much back to our community. We are always trying to give where it does the most. I'm so very proud of our group and what we do. Thanks, Sally West, EMCC Philanthropic Chair

EMCC CHARITY GIVING

The Eastern Michigan Camaro Club has done it again, TWICE!!... great charity donations to great local groups. The Eastern Michigan Camaro Club stopped by Golf View Park in Plymouth to drop off a check for **\$1250** for the group, Creating Habitats for Pollinators. They along with a group of volunteers from Ford were preparing various areas in the park for mass seeding of wildflowers. These wildflowers will support the pollinator population of bees and butterflies so that they can do what they do to support our food chain. Mother nature cooperated as well, and the sun even peeked out for our check presentation. Thanks also to our new 2025 major sponsor Taylor Chevrolet/Saline Chevrolet for their recent donation and partnership.

The second presentation went to Blessings in a Backpack-South Lyon at their annual golf outing fundraiser at Tanglewood Golf Course. EMCC stopped by to donate **\$2500** to support their worthy cause. Blessings in a Backpack feeds children in need that attend South Lyon schools by sending food home for the kids on weekends and during the summer. They supplement the free breakfast/lunch program within the schools so that no child is hungry. Thank-you for what you do for the kids!

CAMARO SUPERFEST 2025

July 11-12-13, 2025

Multi-Lakes Conservation Club
Commerce Township, Michigan, USA!

REGISTRATION IS OPEN!!

The CSF schedule is -

FRIDAY, JULY 11 - Cruise/Rally in the afternoon; Multi-Lakes car show in the evening

SATURDAY, JULY 12 - Show & Shine, vendors, judging. Sinner and cruise winners Saturday night

SUNDAY, JULY 13 - show & Shine, judging winners announced

Shirt sales have started with registration and we will have four color choices this year as well as the possibility of different swag. EMCC will be doing Ice Cream sales! Soon, it will be time to sign-up on the volunteer sheets, so that the required jobs are covered for the weekend. All the jobs are EASY and are learned in a few minutes.

If you have any ideas, please contact an EMCC Board member.

CSF 2025 is only 1 month away!!

CSF JOBS

Here is the list of CSF jobs and what each entails. NONE of these jobs is hard!! A few minutes of "on the job" training and you will be a pro!! Please help out where and when you can... many hands make little work!! Watch your emails for a link to a special web page to sign-up for these jobs for CSF!!

Let's look at the jobs and their duties- what each entails-

REGISTRATION- is where car owners come to enter their cars. This is at HQ hotel on Friday, moves to Multi-Lakes for Saturday/Sunday. Paperwork job & answer questions.

MAIN GATE- is where people come in to view our event. We need to keep track of numbers, spectators are FREE, but we are requesting donations for our charity - whatever they wish to give!

VENDOR SET-UP- This is on Friday afternoon at Multi-Lakes, to assist various vendors in getting the right spots they need. Also make sure the port-a-potties are in place. This would be a club member (or 2)

EVENT HQ- this is big on answering questions, selling event t-shirts

SECURITY- everyone is on security detail at all times! Security is making sure that someone is not doing something stupid and causing problems for others.

MISCELANIOUS- This is kinda another "everyone" job... where we need to keep an eye on trash cans, etc....

We think that covers everything we can think of concerning jobs. See, nothing so awful hard about any of it. **PLEASE volunteer!!** Without YOU, the EMCC membership, this event is not possible. We can plan all year long, but when it comes right down to it, it is YOU the membership that makes the event happen. THANKS!!!

WE NEED YOU!!! WE WANT YOU!!!

This is our biggest event of the year & we have a great reputation of having the BEST organized event in the USA! We need to continue to work on keeping that reputation and improving on it where ever and whenever possible. PLEASE help us make CSF 2023 another great event and our best yet!

ONE MORE ITEM!!- As an EMCC member, if you haven't registered for CSF yet, please do so ASAP!!!

THE CORNER CAMARO

This month's Corner Camaro is EMCC member #486 Dave and Dawn Hlavaty and their 1968 Camaro conv. Here is their story - Our Camaro story begins in White Plains, New York, the original owner, GMC, Powertrain Division, took delivery of a 1968 base model, 327, Camaro, produced at the Norwood, Ohio Plant. This Camaro then went thru several owners and was completely restored in 1985-86 and ended up in Holden, MA, about 50 miles west of Boston. This Camaro 'story' requires a brief step back in time and has a connection to three families and four daughters thru Girl Scouts. Our daughters grew up and were members of a Girl Scout Troup, with the daughters of Kathy & Paul (Snook) Denski and Roxanne & Chuck England. Snook, mentioned one day, that we should get a Camaro and join EMCC for lots of fun with fellow members and driving a great classic car. To make a long story short with a lot of help from Snook, in 2011, we found our Camaro just outside of Boston. This numbers matching, 1968 LeMans blue, base Camaro has a 327 ci engine, Powerglide auto transmission, power convertible top and deluxe Parchment white interior. Since owning this '68 Camaro, we have made a few small changes, such as the 'bumble bee' stripe around front end and converting from column shift to console shift. Dawn and I have taken our Camaro on many fun and memorable trips, to mention a few, Michigan's upper peninsula, the Wisconsin Dells and the Tail of the Dragon. Great Story Dave and Dawn! And a great Camaro in EMCC! Thanks for being an EMCC member!!

NEXT MONTH - member #80 Fred Weber and his 1972 Z-28!

MEMBERSHIP NEWS

We had three new members this past month. Please welcome Jess Bussell, Marvin Copenhaver, and Michael Foster!

EMCC Membership is currently 95.

THANKS FOR BEING AN EMCC MEMBER!!

EMCC BARN SHOW

EMCC attended the Livonia Barn Show on Sunday, June 8th. We had 15 EMCC member Camaros attend plus a few extra members - GREAT crowd! Those that attended brought some great food and snacks, so no one was hungry! The show was packed with over 720 vehicle attending. THANKS Nick for coordinating the pre-registration!

EMCC EVENT NEWS

While there are many events listed on the calendar, there are always a few that are considered "club" events, where we hope more members will try to attend those select events. Look for separate articles on some of these events. For other events, please contact **DON**, our Activities Director. For those events you are interested in, Don will keep track of those and who are interested and send out emails only to people for those events.

EMCC MEETING REPORT

We had another very good EMCC membership meeting Mama Mia's in Livonia. Thanks Nick, for setting this up. We had 24 members attending and enjoying some good food and service. We had 9 Camaro's attend as well. The BIG news and discussion was about our NEW club sponsor - Taylor Chevrolet and Saline Chevrolet. Yes, two dealerships, as they are both owned by the same person. Those in attendance voted on the approval of the sponsor and we're now good to go! The SLO-TOUR d'Michigan is all set for this October. Some local events were also briefly mentioned by Don. The next EMCC June meeting will be hosted by Chris & Sally West at their house. We hope to see you at the next EMCC meeting!

CAMARO FUNNIES!

DAD JOKES: 1) I turned down a job where I'd be paid in vegetables; however, the celery was just unacceptable. 2) The people of Dubai don't like the Flintstones, but, the people of Abu Dhabi Do. 3) The oldest computer was owned by Adam and Eve. It was an Apple with very limited memory. Just one 'byte' and everything crashed.

THE LAST WORD: A Japanese tourist hailed a taxi in downtown Delhi and asked to be taken to the Indira Gandhi airport. On the way, a car zoomed by and the tourist responded, 'Oh! Toyota, Made in Japan! Very fast!' Not too long afterward, another car flew by the taxi. 'Oh! Nissan, Made in Japan! Very fast!' Then yet another car zipped by, and the tourist said, 'Oh! Mitsubishi, Made in Japan! Very fast!' The taxi driver, who was 100% Indian, was starting to get a little annoyed that the Japanese made cars were passing his taxi, when yet another car passed the taxi as they were turning into the airport. 'Oh! Honda, Made in Japan! Very fast!' The taxi driver stopped the car, pointed to the meter, and said, 'That'll be 500 Rupees.' '500 Rupees?', the Japanese tourist said. 'It was a short ride! Why so much?' The Taxi driver smiled as he replied; 'Meter - Made in India. Very fast.'
