JULY 2025

FROM THE PRES-

This is it, the big dance, the big game, all the marbles. Superfest is upon us and asking us, are we ready? And we are! Last minute sign-ups are appreciated, and most jobs are kinda mostly covered. If you haven't yet signed up to volunteer, there are still jobs to do. Follow this link <https://www.signupgenius.com/go/10C0C4AA4AB2CA1FAC61-49905823-camaro#/> and give your club a hand. Hopefully you have registered to attend as well, if not, now is the time. Go to www.emcamaro.com/camaro-superfest/ to make that happen. While I wish we had more pre-registered attendees, every time I feel we will fall short, the masses show up. Hopefully that continues this year. Either way this will be a lot of fun for everyone. Our show is always talked about as the one to attend and we don't want to disappoint. So, show up sign up and participate in the longest running family friendly all Camaro show in the United States of America, if not the world!

Many of you are also thinking of the rest of the summer. And I too, might have wondered off into that realm. There are so many events this summer, both club participation and otherwise, you could literally be somewhere every weekend and most weekdays. Most importantly, to me at least, is the upcoming charity check presentation at our new sponsors dealership in Taylor. On July 23,

2025, Taylor Chevrolet will be hosting our charity check presentation to The Rainbow Connection. Read more about it in this edition of the Hugger. Sally has all the details there. I certainly hope we can impress our new sponsor with a huge turnout. Also important to go on the Facebook to follow, like, share (Saline Chevrolet and Taylor Chevrolet) or whatever it is you do on that "social media" stuff. While I am not big (or even fluent) on Facebook, it is one of those things that has found its way into our life and a gauge of how we support our sponsor. It is up to us to promote them in anyway we can, jump on board and follow, like and share!

Finally, who doesn't like to go fast? Or at least watch someone else go fast? Kathy and I are planning a trip to Grattan Raceway to watch our fellow members Jen and Don race around that very raceway. If you wish to follow us let me know. July 26-27 is the weekend, and we haven't yet decided which day, but plans are in the making. Some back roads and some great racing, what could possibly go wrong?

Now get to it, register and volunteer (if you haven't) for Superfest so we can be proud of everyone and keep the tradition going. ***Snook OUT!***

EMCC CHARITY GIVING

The Eastern Michigan Camaro Club has another check presentation planned - Our next check presentation will be on July 23rd at 2 p.m. at Taylor Chevrolet which is located at 13801 Telegraph Rd in Taylor Michigan. It is between Northline and Eureka roads. We will be presenting The Rainbow Connection with a check for \$2500. Please let me know if you will be attending the check presentation by texting me at 586-904-4029 or emailing me at sallyawest@aol.com. We will be planning a meeting location for all members attending with their Camaros so that we can "Camarovan" to our new major sponsor Taylor Chevrolet. Those that contact me will get further meeting instructions as we get closer to the check presentation date. Thanks, and we hope to get a big representation from EMCC as we present this check and meet our new major sponsor. Word on the street is that there will be some Chevy swag at the event.

EMCC MEETING

Your next EMCC meeting will be in **AUGUST!** We're not positive on the date or location just yet, so watch your emails and for the August HUGGER. We usually meet for dinner at 6pm EMCC meeting at 7pm-ish. We hope to see you there!

CAMARO SUPERFEST 2025

July 11-12-13, 2025

**Multi-Lakes Conservation Club
Commerce Township, Michigan, USA!**

REGISTRATION IS OPEN!!

The CSF schedule is -

FRIDAY, JULY 11 - Cruise/Rally in the afternoon; Multi-Lakes car show in the evening

SATURDAY, JULY 12 - Show & Shine, vendors, judging. Sinner and cruise winners Saturday night

SUNDAY, JULY 13 - show & Shine, judging winners announced
EMCC will be doing Ice Cream sales! Soon, it will be time to sign-up on the volunteer sheets, so that the required jobs are covered for the weekend. All the jobs are EASY and are learned in a few minutes.

If you have any ideas, please contact an EMCC Board member.

CSF 2025 is only 1 WEEK away!!

EMCC WEARABLES

Many members have asked about EMCC shirts, hats, jackets. We don't have a supplier of these items. SO, we suggest you buy what you want/need at any store you wish. Then bring those items to the next EMCC meeting. We'll then send it all to our embroiderer to get them customized with the EMCC logo on it. We can probably get your name stitched on too. The EMCC logo is \$12-15 to be put on. Your name is \$3-5 to be stitched. Logo goes on left chest, names on right.

CSF JOBS

Here is the list of CSF jobs and what each entails. NONE of these jobs is hard!! A few minutes of "on the job" training and you will be a pro!! Please help out where and when you can... many hands make little work!! Here is the link to volunteer for the work we need done..... Please look through the list and sign up for whatever you can. We need you the membership to help make this happen. Any questions please feel free to reach out to PAUL.

<https://www.signupgenius.com/go/10C0C4AA4AB2CA1FAC61-49905823-camaro#/>

PLEASE volunteer!! Without YOU, the EMCC membership, this event is not possible. We can plan all year long, but when it comes right down to it, it is YOU the membership that makes CSF happen. THANKS!

WE NEED YOU!!! WE WANT YOU!!!

This is our biggest event of the year & we have a great reputation of having the BEST organized event in the USA! We need to continue to work on keeping that reputation and improving on it where ever and whenever possible. PLEASE help us make CSF 2025 another great event and our best yet!

ONE MORE ITEM!!- As an EMCC member, if you haven't registered for CSF yet, please do so ASAP!!!

EMCC EVENT NEWS

While there are many events listed on the calendar, there are always a few that are considered "club" events, where we hope more members will try to attend those select events. Look for separate articles on some of these events. For other events, please contact **DON**, our Activities Director. For those events you are interested in, Don will keep track of those and who are interested and send out emails only to people for those events.

MEMBERSHIP NEWS

We had 4 new members this past month. Please welcome Tricia & Shawn Bagnell and Art & Nicole Brewer! EMCC Membership is currently 105.

THANKS FOR BEING AN EMCC MEMBER!!

EMCC MEETING REPORT

We had an excellent EMCC membership meeting in June, hosted by Sally & Chris West!! A HUGE THANK-YOU to them for hosting and for a great meal! Thanks too, to some other members that brought desserts to share. YUM!! We had 37 members attending and 16 Camaros driven.

Of course, CSF was the main topic, being only a month away. A jobs website will be up and running very soon, so EMCC members can volunteer for the jobs they want to work at. Paul also mentioned that we now have judges! Members from DRIVE-1, the shop that teaches high school kids auto related skills, will be judges.

EMCC will be making a donation in memory of member Raleigh Ormand. And we're making a donation to the Rainbow Connection on July 23.

We are sad to report that there will not be a Christmas in July gathering.

Some local events were also briefly mentioned by Don. The July EMCC meeting is cancelled due to CSF. Our next meeting will be on August 18. We hope to see you at the next EMCC meeting!

THE CORNER CAMARO

This month's Corner Camaro is EMCC member #80 Fred and Pat Weber and his 1972 Z-28! Here is their story - I'll be the first to tell you that I am new to EMCC. The Friday before Camaro SuperFest 2024, I was at the weekly Friday night cruise at Multi Lakes. One of the club officers came by and twisted my arm to bring our car to CSF. Long story short, I entered for Saturday and then decided to join the club. By the way, my wife is Pat and she attended with me. Some friends in our neighborhood talked us into trying the Hot Rod Power Tour this year.

I ordered the Z/28 from the same small town Chevy dealer that sold my father his first new car. In fact, it was the same salesman. I know my choices were not what most people would have ordered but I was 18 years old and had just started college at General Motors Institute. The Z/28 part was easy, and I liked the color but went with white stripes instead of black. OK, yes, I decided to choose the automatic. I've never regretted that decision. Turns out the auto with 3.73 gears could pull an identical Z/28 4-speed with 4.10 gears every time from a light. (Or my friend in the army could not launch his car. But he was not happy.) Here are the significant changes that have been made to the car: Steering wheel is an Oldsmobile 4 spoke "sport option". I worked for the GM Division that made steering wheels and we could legally request one part per year at the time. Score a nice steering wheel. I'm old enough to have experienced the 55 MPH National Speed Limit. One day I made a trip on the expressway for about 25 miles at 55 MPH. Stopped at the bottom of the exit ramp and ran it through the gears. The car was "loaded up" and missing at high RPM. (Anyone old enough to remember breaker points for ignition?) The posi clutches were worn so it was going in for rear end work. I had them drop in a 4.56 gear set while they were at

it. Lost the AIR pump and of course put on headers. Many sets to date the first being side mount headers with side-pipes. Painted them white and also painted the wheels white. The car sat in storage for about 20 years as we did kids and boats. About 5 years ago we put it back on the road. Here are the significant things done since then: Turbo-400 rebuilt. Instrument cluster rebuilt with GM approved aftermarket tach (appropriate Z/28 yellow and red line markings) and oil pressure gage replacing the clock. 2.5 inch Flow Master exhaust and Hooker headers, both in stainless. I love having that muffler hanging behind the differential again (no more mufflers hanging down!). Getting ready for Power Tour, the front seats were recovered, new carpet, and a 9-inch touch screen radio that supports Car Play via Bluetooth.

OK, now for the disappointing news about Power Tour 2025. Pat and I left home on Sunday to cruise to Indianapolis, IN but we had our problems. In Byron, Ohio we "let the smoke out". Broken screw in rocker stud on number 8 intake. I checked that no stray bits escaped and decided to put the valve cover back on and try to limp to Indy. A replacement stud was a next day item from any of the parts stores. We were rolling into Fort Wayne, IN and all heck broke loose. This time it was the number 2 intake with the rocker arm ball over half worn away. Not getting enough oil past number 8 with just the lifter there. That was it, we raised the white flag. Fortunately, I had left the car trailer hooked up to the pick up and our youngest daughter was on call to rescue. A couple of guys from the neighborhood helped her load Pat's Malibu on the trailer and she came to rescue us. We swapped the cars on the trailer and we were then in what Power Tour folks call "Plan B".

Continued next page → →

Power Tour was still a great time and it is tough to explain what a rolling 5-day car show with over 6,000 cars per day looks like. We highly recommend the experience.

Here's a few more specs on the Camaro.... In 1972 only 68,651 Camaros were built due to an extended strike at the Norwood, Ohio assembly Plant. This car is an "L" code engine documenting that it is one of only 2,575 Z/28's built in 1972. The color is Spring Green (code 36) available on Camaro only in 1972. For Z/28 only, the automatic transmission option delivered a THM-400 with a 2400 RPM stall torque converter. 1972 had mid-model year changes introduced which included the 3-point shoulder harness and a seat belt warning light/buzzer. This car was ordered from the factory by it's current owner in the Fall of 1971. And yes, that means 53 years and counting of ownership. As of today, I have the Z/28 most of the way back together so it should make it to Camaro SuperFest. Hope to see you there! Great Story Fred & Pat! And a great Camaro in EMCC! Thanks for being an EMCC member!!

CAMARO FUNNIES!

DAD JOKES: 1) "DO NOT TOUCH"
That's gotta be an unsettling thing to read in braille.

2) Have you ever tried archery blindfolded? You don't know what you're missing.

3) Do you know what's coming but never arrives? Tomorrow.

THE LAST WORD: Heaven Joke ----
After dying in a car crash, three friends go to Heaven for an orientation session. They are all asked the same question: "When you are in your casket and family and friends are mourning over you, what would you like to hear them say about you?" The first guy responds: "I would like to hear them say that I was one of the greatest doctors of my time and a great family man". The second guy says: "I would like to hear that I was a wonderful husband and a school teacher who made a huge difference in the children of tomorrow". The third guy thinks for a while and then replies: "I guess I'd like to hear them say 'Look - he's moving'".
