DECEMBER 2025

FROM THE PRES-

Wishing all my EMCC family the warmest Christmas and New Years greetings. Hope you and yours find all the love and peace this season represents. Stay warm and comfy wherever you find yourself. Keep friends and family in your hearts and please, stay safe throughout this holiday season.

OK, so this is it, the last official President's column you will ever have to read from me. I sincerely hope some of you (one or two at least) got some form of enjoyment from all the BS I spewed though the ten plus years of this. January's column will be all about the election process and how the membership will vote. This is bittersweet for me to say the least. Month after month of making deadlines, some kept some not. Sometimes exceeding my word limit (mostly) and a few that did meet expectations. I never knew what would come to mind when I stared blankly at the keyboard and occasionally, I did hit it spot on. This one, well, it's different. I have ten plus years of thoughts that didn't get typed and then forgotten, only to remember after I pushed send, forgetting again the next month when it was time to send my BS in. I have and had so many things to say to so many people though the years. Thank-You's that didn't get said, ideas' long expired, and stories not told. Goodbye's not spoken when they should have, and friends departed that I can never

say that to. It's been a long time, getting from there to here. Time well spent collecting memories cherished and hopefully never forgotten. Time I can't get back and to tell the truth, I probably would not change a thing. I did not want this job when I took it. Thought it to be just another task I didn't need in an already busy schedule. I will admit I was wrong. After just a short time I realized the potential of this club and had ideas to take it to the level I thought it could get. We have given so much to so many that I can't even remember them all. Not only in the financial grants to charity, but in the memories of members and thousands of guests and friends at Superfest over the years. Surely some members feel the same, but I haven't heard from anyone volunteering to serve in any of the board positions being vacated. I refuse to believe that no one is even vaguely interested in continuing the work we started. Work (and the term is not really fitting) that is not so hard that anyone can do it. What do you say, give it a try, what could possibly go wrong. If not now, then when. Not having a proper board will make the club very difficult to run. Two people can't be expected to do everything. And if no one steps forth, the possibility of the club ending becomes very real.

continued →→

I know there are those out there that will think, then I should just keep doing it. To them I say, I did ten years plus, you do it. You will never know until you try. Look, I'm probably not the best motivational speaker, realistically I wasn't the best choice to be president. But it worked out and I enjoyed it. Someone else's turn now, pick up the reins and have at it. You have until Dec 31, 2025 to volunteer so we can have elections in mid-January. Contact me or any other board member with questions, comments, or concerns. I answer all phone calls, texts and emails.

For the last time with my most sincere thanks,

Snook OUT!

THE CORNER CAMARO

This month's Corner Camaro is EMCC member #62 Greg Rancilio and his 1967 Coupe. Here's their story....

Like many native Metro Detroiters, I grew up in and around the automotive industry. My Dad started in retail at a Metro Detroit GM dealership in the late 1950s, so cars have been a part of our family as long as I can remember. As we were looking for my first car (while I was in high school and not old enough for a driver's license), my Dad had an AutoTrader magazine on his desk at the dealership. Our body shop manager asked what we were looking for, as at that time, my older brother had a 1964 Chevelle, so he figured it was something good. Come to find out, his aunt had had a Camaro in her garage for the past seven years and was ready to reclaim her garage space. Before the Camaro spent seven years in garage storage, it came from Missouri. We acquired the 1967 Camaro coupe in the fall of 1985. The Camaro was built at the Van Nuys plant in the third week of March 1967. It has an automatic with a small block. As a high school-aged porter at a GM dealership, I was fortunate to have access to talented mechanics, parts experts, body shop and interior technicians who were generous with their time and talents, helping and teaching as needed. The car has remained essentially unchanged since the early years of ownership. The Camaro has been a part of numerous great experiences and memories as it has been with me since high school... a few highlights include: while in high school cruising the loops in St. Clair, Port Huron, and Gratiot Ave. with friends, the first Woodward Dream Cruises with my wife, tagging along with my parents (they had a 1965 Corvette) and the St. Clair Car Club cruises in the Blue Water area, adding seat belts to the back seats so we could use baby/booster seats in the car with our daughters and now our daughters are young adults

driving the Camaro on Woodward (we get the back seat... with seat belts), our initial introduction to the incredible members of the Eastern Michigan Camaro Club at a Culver's Lake Orion Cruise In, and meeting countless other car enthusiast. It is incredible to realize that 2025 marks 40 years of ownership of our Camaro. Great story Greg! And a great Camaro in EMCC! Thanks for being an EMCC member!!

NEXT MONTH - member #50 Tom Borg and his 2012 RS

CAMARO FUNNIES!

DAD JOKES: 1) Sundays are always sad, but the day before is a sadder day. 2) Two weeks ago, I sent my hearing aids in for repair. I've heard nothing since.

3) Whoever stole my copy of Microsoft Office, I will find you. You have my Word.

THE LAST WORD: Last week Ronnie Walsh went to the movies at the Rialto Cinema in Bristol to see "Slumdog Millionaire" but because of two women loudly chatting together who were sitting in the row in front of him, Ronnie was unable to hear the dialogue clearly. Ronnie leaned forward and said in a stage whisper, 'Excuse me ladies but I can't hear.' 'I should hope not,' stormed the woman, 'this is a private conversation.'

Then bring those items to the next EMCC meeting. We'll then send it all to our embroiderer to get them customized with the EMCC logo on it. We can probably get your name stitched on too. The EMCC logo is \$12-15 to be put on. Your name is \$3-5 to be stitched. Logo goes on left chest, names on right.
