## FROM THE PRES-

Well ,well, well, just when you thought you heard the last from me, here I am again. Only because I have the honor and privilege of announcing the newest EMCC Board members to you. Yes, I know we are were to have elections in January. And while I would love to had to email everyone with directions, answer numerous emails about said directions, receive multiple phone calls and texts about said directions, yada yada yada and so forth. We just had enough volunteers to cover all the available positions. And, yes, I could have sent out an email directing you to vote for each person, but it would have been a waste of both of our time. I want you all to remember me as the guy who saved you all that work and frustration. You can thank me later.

So, without further adew... Announcing Tom Borg as your new Member at Large. Your new Secretary of the Eastern Michigan Camaro Club is Julianne Vitale-Kuhn, serving the final year of the term replacing Sharon Harpootlian who is your new Treasurer serving a two-year term and, drum roll please, your new President of the Eastern Michigan Camaro Club is John Danic also serving a two-year term.

I am confident these members will serve the club diligently and with the upmost regards for all the things we stand for. They will join Don Jorgensen in the second

year of his term as Vice President. I wish them all the best as I fade away into the sunset. Knowing that the club is in good hands.

Please join us at the club meeting on the 6th of January 2026. At Mr. Miguel's Mexican Grill and Cantina. 39305 Plymouth Road in Livonia, MI 48150. 6:00pm for dinner and 7:00pm (ish) for the meeting to get to know the new board.

## EMCC ELECTIONS!!

So, when there just enough volunteers to fill each board position as we have had in the past, electing them is by proclamation. And so it is this time. I wished we had more members willing to serve the club in this matter. There is nothing wrong with have two differing opinions for us to choose from. I believe it strengthens any organization. However, by the power vested in me as your President until this month's meeting when the new board takes over, I hereby acclaim that the nominee's for President John Danic, Treasurer Sharon Harpootlian, Secretary Julianne Vitale-Kuhn and Member at Large Tom Borg are all dully elected to their respective post. ## THE CORNER CAMARO

This month's Corner Camaro is EMCC member #50 Tom Borg and his 2012 RS. Here's their story....

Some people remember exactly where they were when they met "the one." For me, it wasn't a person—it was a car. Yes, I'm perfectly comfortable admitting that.

I first saw an ad for the 2010 Camaro in the autumn of 2009, and it stopped me cold. From the side, it had that unmistakable 1969 Camaro DNA—classic muscle, clean lines, and pure attitude. But the front and rear? Total 21st century. It was the perfect mashup of old-school cool and modern swagger. Right then and there, I knew one thing: someday, somehow, I was going to own a Camaro.

Fast forward four years. By that point, I wasn't casually "looking", I was researching. Daily. I even built a spreadsheet. Not a napkin list. A real spreadsheet with columns for "must haves," "should haves," and "nice to haves." (This is what happens when patience meets obsession.) My must haves included Inferno Orange Metallic paint, auto trans, a sunroof, and a few other non-negotiables. Compromise was not on the menu.

Then came the afternoon of

December 23rd, 2013 just days before Christmas, when the automotive gods smiled. There it was online: a 2012 Camaro Rally Sport that matched about 99% of my criteria, sitting quietly at a Ford dealership in the great state of Kansas. I immediately called the dealership and asked about it. Ironically, the salesperson I spoke with didn't even know the Camaro had been listed yet. That's when I knew timing was on my side.

After a short conversation, the deal was done. I bought my Camaro with just 8,700 miles on it, without ever seeing it in person. It arrived on January 14th, and I'll say this: pictures did not do it justice. It looked even better in real life. It also came with some nice extras—billet chrome door sills, chrome RS insignias on the front fenders, and Lloyd's floor mats. The only blemish was a small dent on both the driver and passenger doors from shipping. One phone call later, the dealership apologized, told me to get them fixed, and send them the bill. Easy fix. Back to smiling.

Since then, it's been nothing but smooth cruising. More than 70,000 miles later, I've added a few personal upgrades along the way: custom-painted black racing stripes on the hood and trunk, rear window louvers, new brakes and rotors, a new exhaust system, RS rotor covers, new tires, fresh Lloyd's mats for the front and trunk, plus an aftermarket GPS and backup camera—because even cool cars need to know where they're going.

My Camaro RS has been an absolute blast to own. It's been reliable, fun and a joy to drive. It turns heads, makes me smile every time I hit the gas, and reminds me that some dreams are worth waiting for. And if loving your car this much is wrong... I don't want to be right. Great story Tom! And a great Camaro in EMCC! Thanks for being an EMCC member!!

## **CAMARO FUNNIES!**

**DAD JOKES:** 1) I used to hate facial hair, but then it grew on me. 2) What state is known for having small soft drinks? Minnesota. 3) What state is known for having the most streets? Rhode Island?

### **A BIT OF CHRISTMAS HUMOR:**

How do you wash your hands over the holiday? With Santatizer. Why don't you ever see Santa in a hospital? Because he has private elf care. Why is Santa afraid of getting stuck in a chimney? He has Claus-trophobia. Why does Santa have three gardens? So he can ho ho ho. What does Santa do when his elves misbehave? He gives them the sack.

## **CAMARO CARtoons!**

## **EMCC WEARABLES**

Many members have asked about EMCC shirts, hats, jackets. We don't have a supplier of these items. SO, we suggest you buy what you want/need at any store you wish. Then bring those items to the next EMCC meeting. We'll then send it all to our embroiderer to get them customized with the EMCC logo on it. We can probably get your name stitched on too. The EMCC logo is \$12-15 to be put on. Your name is \$3-5 to be stitched. Logo goes on left chest, names on right.
