FEBRUARY 2026

FROM THE PRES-

Hello EMCC, It's interesting that I am writing this article just five years after joining the club and 50 years after obtaining my dream car.

What an honor to become the president of such a cool club. And to be among some really nice and really cool people. I guess you can imagine, I think this is cool.

Thank you to all of you who have welcomed Bonnie and I into The Club and thank you to all of you who support its purpose, to do good things for others and have good times while we're doing it.

The new Board of Directors are working hard to keep the 35 year tradition of EMCC going strong. The Camaro SuperFest plans are coming along and initial registration is open. It's going to be a Fun Friday evening, July 10. And what will be the best car show all day Saturday, July 11. Please register as soon as possible.

The auto shows that are going on or did go on are always something to do in our winter doldrums. And I look forward to more of the spontaneous gatherings.

Our new sponsors, Saline and Taylor Chevrolets have generously come on board to help the club along.

Just a little about myself as an introduction, Bonnie and I have been married for 52+ years, we have three grown children, their wives and six grandchildren. We are involved with our church in

Redford. We like to travel and enjoy leisure activities. I am a retired electrical contractor - municipal inspector and like to putz around the house and of course do car stuff.

So, this is my first newsletter article to The Hugger and there is much more to say and do as the year goes on. Please check for Club emails regularly. Until we meet on the road or someplace cool. Be well and be safe,

John JD 68

THE NEW EMCC BOARD

Let's meet your new EMCC Board of Director members.....

EMCC President - John Danic

See the *FROM THE PRES* article for some info on John.

Treasurer- Sharon Harpooltian

My husband, Mark, was a member of EMCC for many years before I ever attended my first meeting. When he had his first surgery in 2014 he was not allowed to drive for several months and so I began driving him to meetings. The rest, as they say, is history! He loved to drive his beloved '69 and in December of 2015 I bought a 2016 Camaro - to update the fleet a bit. I have served several terms as club secretary and now am stretching my brain cells learning the duties of the treasurer. I have made many wonderful friends through EMCC - glad it is still part of my life.

Secretary - Julianne Vitale-Kuhn

Jules is a curious and creative individual with a strong research background and a passion for hands-on craftsmanship. Outside of her professional work, she enjoys classic cars, cooking, candle making, and traveling with friends and her husband - always seeking experiences that blend learning, creativity, and connection.

Member@Large - Tom Borg

Tom Borg resides in Canton MI with his wife Elizabeth and their miniature schnauzer, Ellie, and their two parakeets, Blue Sky and Poppy. He is a small business consultant and coach. Tom bought his first Camaro, a 1971 Rally Sport just after graduating from high school. And he loves driving and showing his Inferno Orange 2012 Rally Sport Camaro which he purchased in 2014. He has been a member of the Eastern Michigan Camaro club since 2023.

EMCC SYMPATHIES

It is with the greatest sadness that we report that EMCC member Bob Kraft has passed away. His death was in the news, as it was a tragic murder. Also killed was Bob's brother and a friend. The three were in Florida for the January Mecum Auction. Bob is remembered for his passion for 3rd Gen Camaros and buying/selling parts for those models. He was a very friendly guy and a great EMCC member. Here is a link to one of the news reports -

<https://www.foxnews.com/us/florida-madman-stalked-tourists-near-disney-before-allegedly-killing-them-random-attack-family>

Bob is on the right.

Friends and family of both Bob and Doug Kraft will be received for visitation on Sunday, February 15th, 2026, from 1pm-4pm at Schoedinger Funeral Home, 5980 Perimeter Dr, Dublin, OH 43017. Funeral service will be held at the same location on Monday, February 16th, at 10am.

EMCC CHARITY FUND

Many THANKS to our supporters for allowing us to give so much back to our community. We are always trying to give where it does the most. I'm so very proud of our group and what we do. Thanks, Sally West, EMCC Philanthropic Chair

EMCC EVENT NEWS

While there are many events listed on the calendar, there are always a few that are considered "club" events, where we hope more members will try to attend those select events. Look for separate articles on some of these events. For other events, please contact **DON**, our Activities Director. For those events you are interested in, Don will keep track of those and who are interested and send out emails only to people for those events.

EMCC WEARABLES

Many members have asked about EMCC shirts, hats, jackets. We don't have a supplier of these items. SO, we suggest you buy what you want/need at any store you wish. Then bring those items to the next EMCC meeting. We'll then send it all to our embroiderer to get them customized with the EMCC logo on it. We can probably get your name stitched on too. The EMCC logo is \$12-15 to be put on. Your name is \$3-5 to be stitched. Logo goes on left chest, names on right.

THE CORNER CAMARO

This month's Corner Camaro is EMCC member #66 Sandra & Steve Rinke and her '69 Camaro Pace Car. Here's their story....

Sometime in 1970, my Dad replaced my Mom's 1965 Corvair convertible with the 1969 Camaro Indy Pace Car. I was 15 at the time. A year later, I took my driver's training test in the Camaro. Fortunately, my Dad let me continue to drive the car in my high school years. I was one lucky girl! Upon graduation, in 1973, I married Steve. My Camaro days were done at that point, until much later, but Mom continued driving the car from time to time for the next 10 years or so. Because it wasn't used often, it developed some mechanical problems, so Dad covered it up and there it sat in their garage for many years. However, for my Dad's 80th birthday, Steve and I decided to uncover the car and see what it needed to get it running to surprise Dad. It actually didn't need much. A new master cylinder, some used/new tires as it had snow tires on it, and lots of cleaning. He was so surprised to see the car and immediately drove it around the block. In 2014, I became the official owner of the Camaro. At that point, Steve and I decided that we would like to start driving it again and taking it to a few select car shows. With some minor mechanical repairs, the car is primarily original, with approximately 56,000 miles. What puts a big smile on my face is driving it on a sunny, warm day with the top down to show off it's flashy orange and black houndstooth interior. To this day, I still get lots of looks, as I did back in those high school days! Great story Sandra! And a great Camaro in EMCC! Thanks for being an EMCC member!!

NEXT MONTH - member ?? Looking for a volunteer!

Ed Note - Extra THANKS to Sandra, who sent in her story while on vacation!!

CAMARO FUNNIES!

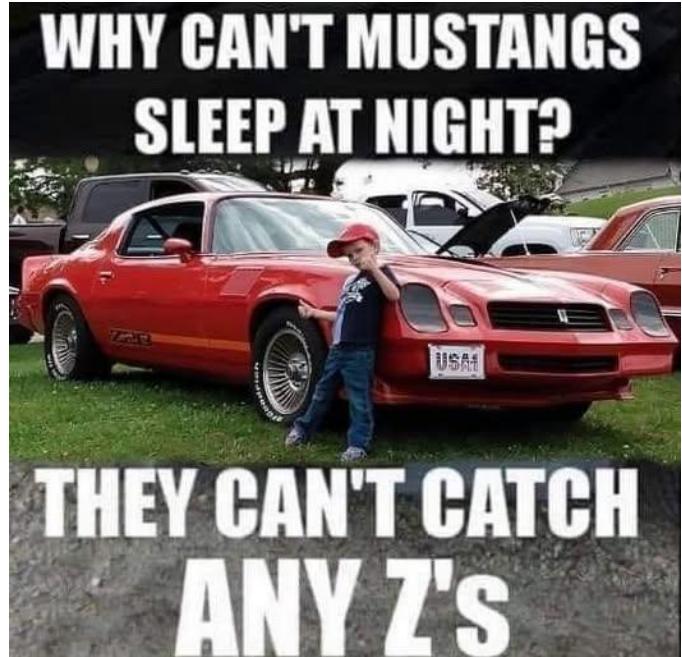

DAD JOKES: 1) Why did the man fall down the deep hole? 'Cause he couldn't see that well.

2) Yesterday I spotted an albino dalmatian. It was the best I could do.

3) Why do some couples go to the gym? 'Cause they want their relationship to work out.

THE LAST WORD: It was late in the day when a fully loaded minivan pulled into the only remaining campsite. They began to work feverishly to unload and set up the tent. Next, the boys ran to gather firewood while the girls helped their mother set up the kitchen and begin supper. The camper in the next site marveled to the children's father: "I've never seen such teamwork nor a camp that was set up so quickly. I'm impressed." The father turned to the neighbor and nodded sagely, "I have a system", he said. "No one goes to the bathroom until the camp is set up."
