## FROM THE PRES-

Hello All, I hope this up and down Spring is treating you all well enough. My allergies are having a field day!

So, I've been thinking, of all of the stories that could be told in this article, about Retirement, Parties, Travel, Memorials, Car Shows, Food outings, etc..... wouldn't be nice to share them in person. There was the Vanguard Open House, Lingenfelter Charity Open House, last months General Meeting and all of the upcoming Meetings and Outings.

**"The Eastern Michigan Camaro Club is a nonprofit, Charitable organization where Camaro owners and enthusiasts come together to form friendships, exchange ideas, and enjoy the thrill of a true American muscle car"** - Just part of our proposed updated Mission Statement we will discuss at the General Meeting, May 18. Date on calendar, place is GINO'S in Keego Harbor!

My hope is to make that OUR Mission to see more of our members at the Meeting and/or at one of our events.

Don't forget to register for SuperFest. [www.emcamaro.com](http://www.emcamaro.com)  
Be Well, Be Safe and Be Blessed and... Thanks for being a member of A Real Cool Car Club,

JD, President, EMCC

## MEMBERSHIP NEWS

We had four new/renew members this past month. Please welcome back Capt. Rick and Shari Niebert! New members are Joe & Jeannie Schweickert. EMCC Membership is currently 131.

**THANKS FOR BEING AN EMCC MEMBER!!**

## EMCC EVENT NEWS

While there are many events listed on the calendar, there are always a few that are considered "club" events, where we hope more members will try to attend those select events. Look for separate articles on some of these events. For other events, please contact **DON**, our Activities Director. For those events you are interested in, Don will keep track of those and who are interested and send out emails only to people for those events.

## EMCC to NWOCC EVENT

On Saturday, May 16, there is a Camaro gathering hosted by the NWOCC at a local winery in Clyde, Ohio. This is about 1.5 hour drive from SE Michigan. If you are interested in attending this event, please RSVP email DON or BARRY. We're meeting at the Marathon Station on Haggerty & Michigan Ave at 10:30am, leaving at 10:45am. The show is 1pm-4pm. Let's support other Camaro clubs and promote Camaro Superfest!

## EMCC WEARABLES

Many members have asked about EMCC shirts, hats, jackets. We don't have a supplier of these items. SO, we suggest you buy what you want/need at any store you wish. Then bring those items to the next EMCC meeting. We'll then send it all to our embroiderer to get them customized with the EMCC logo on it. We can probably get your name stitched on too. The EMCC logo is \$12-15 to be put on. Your name is \$3-5 to be stitched. Logo goes on left chest, names on right.

# THE CORNER CAMARO

This month's Corner Camaro is EMCC member Rick Pomerantz, MD and his resto-mod '69 Camaro! Here's their story - I have always been a car guy wanna-be. And I have always been partial to Camaros, ever since I was in high school with the first generation cars. I owned my first Camaro while I was in medical school in Chicago, a 1976 350 coupe. Unfortunately, this car was stolen shortly after I started. I was foolish enough to park the car on the street in Lincoln Park West, a virtual invitation to the crime.

As I got older and busier, my goals of owning, restoring and modifying an older Camaro just seemed to be forever delayed, year after year. There was always something, work, kids, parents now with issues, etc. But I was fortunate to work with a woman, one of our office nurses, Debbie Wendell, who was great. And it turns out, I got to know her husband, Dave Wendell, who is a car guy extraordinaire, who among other things, builds show cars. And Dave does it all, body, paint, welding, fabrication, engines, electrical. Over the years, I told Dave that one day, I would ask him to help with a project car. He was more than game, told me to call him when I was ready.

As I approached retirement, I decided that now was the time to start this journey. I enrolled in night classes in the Automotive Technologies program with Washtenaw Community College. This is a phenomenal program with outstanding resources and instructors. I got a lot of great information, hands-on experience and at least a framework with which to move forward. I did small maintenance projects on my own vehicles, and then, when I finally did retire, I called Dave.

I found the 1969 Camaro on consignment at the Grand Rapids Auto Gallery. This was definitely a project car, needing almost everything to be updated, improved upon. It was originally an LM1

Camaro, sort of a poor man's SS, with a 350, 4bbl, 12 bolt rear, 3:30 ratio, drum brakes all around and a 3-speed on the floor. The paint was bubbling off the underlying sheet metal. I spent the better part of a year stripping this down to bare metal, removing the engine and trans, gutting the interior, leaving tires, steering and brakes so that we could roll it onto a trailer to haul it up to Dave's when he was ready. Dave had the car for almost a full year, not working on it continuously, but off and on, along with his son, Trent. He was great in allowing me to help with the work, and to participate in the project.

Ultimately, this was a complete, frame-off, rotisserie restoration, with repair to the rusted, left rocker panel, passenger-side floor and trunk floor, two replacement fenders and quarter panels, a new cowl hood and trunk lid. The suspension is Detroit Speed, tubular control arms, coil over shocks and 2" drop spindles in front, 2" lower leaf springs in the rear, Wilwood disc brakes on all four corners, MagnaFlow exhaust, Vintage Air and powered by an L99 6.2L V8 with the 6L80e 6 speed automatic transmission out of a 2015 Camaro SS. The rear end was upgraded with positraction. The paint is Tamco Baroque Red Metallic, which definitely has some bling when the sun is shining. The interior is custom, with a newly built center console extending all the way back, splitting the rear bench seat into twin buckets, new seat cushions under custom stitched covers over the original seat frames. This has been the project of a lifetime for me, and if I do say so myself, the result is pretty freaking awesome.

And seeing it in person at the VanGuard show, your HUGGER Editor can attest to the fact that it is GREAT!! VERY nice Camaro Rick and Thanks for sharing it's story and for being an EMCC member!

# EMCC MEETING REPORT

We had another great EMCC membership meeting last month! We were at Rose's in Canton and while prices seem to have increased, it's a very nice place and the food is AA++! We had a great attendance of 36 members and a few Camaros in the lot too.

John called the meeting at 7pm and introduced new club "calling cards". These are a business card that you can add your name/number on and give out to other Camaro owners to promote membership.

Sharon gave a Treasurers report and we're in good shape! Sharon also mentioned CSF stats - 72 registered, 6 states, 1 Canada and 29 attending MIS. We NEED EMCC members to please register!

Don went over some of the upcoming events we'd like to attend, many are road trips for a day or over-night. See the list in this HUGGER! As usual, if you are interested in attending any of these, email DON to get on the contact list for that event!

Someone asked about a new club directory as we've had many new members. It will be worked on.

Sally mentioned the recent charity presentation, thanking those that attended. She also mentioned we'll be looking to do quarterly presentations!

Finally a warm welcome back to Rick and Sheri Niebert, who have renewed their EMCC membership!

The meeting lasted about an hour and that about wrapped up the evening... good to see all who attended! We hope to see you at the next EMCC meeting!

# EMCC to BARN SHOW

The annual Livonia Barn Show is on Sunday June 14. EMCC has had a great turnout for this event and we'd like that to continue! As usual, NICK is taking care of registrations, as we must send in together and arrive together so we can all park together! Your form must be turned in to NICK at the next EMCC meeting with payment \$15. Or contact NICK at [GrandpaDominic@yahoo.com](mailto:GrandpaDominic@yahoo.com)
